This Year's Shoot is Packed with Excitement!

Since 2003, conservationists have gathered to support the annual charity shoot to raise funds and awareness for conservation education in Alaska. Our hosts, sponsors, and celebrity shooters have included high level leaders and policy makers, Olympians, elected and appointed officials, and nationally recognized men & women committed to the conservation of our resources, preservation of our time-honored history, and education of the next generation of hunters & anglers.

This year, we are thrilled to provide participants with a “Sneak Peek” of our Mobile Conservation Classroom. A collaborative effort across multiple groups committed to conservation education, this semi-trailer is being converted to a mobile classroom for Alaska’s youth. Equipped with ADA compliant access, over 70 real life examples of conservation species, and a portable shelter for classroom style discussions, we’ll be hitting the road to teach conservation values to youth near you!

Becoming an Outdoors Woman(BOW) & Beyond BOW– BOW weekend sessions held in Fairbanks, Sutton and Juneau, teach women outdoor skills to build confidence in themselves to enjoy hunting, fishing and other outdoor recreation activities. Beyond BOW workshops are advanced classes providing the opportunity for additional outdoor experiences. Administered in conjunction with the Alaska Department of Fish & Game with support from other major groups, like the Alaska Chapter Safari Club International and Rocky Mountain Elk Foundation. *(See major corporate sponsors: www.ohfak.org)*

Hunter Education, Hunter Instructor Training, Hunter Clinics sponsored by the Alaska Department of Fish and Game are supported in part with funds raised by the Outdoor Heritage Foundation.

Small Game Hunting Clinics for youth & women are an opportunity to hunt small game. Held in the Mat-su Valley at Wingshoot Alaska, with the assistance of the Alaska Retriever Club, participants are get hands on experience working with dogs and shooting chukkars and pheasants.

Youth Outdoor Days provides a comprehensive learning experience for Alaska's youth. Held in late May, the camp is supported by ADF&G and AIM-COMM.

NASP (National Archery in Schools Program) - A program to get archery into the schools across the state, by providing archery equipment kits at little or no cost to the schools. Many of our Alaskan youth participants have gone on to compete at the national and international level. Youth who were introduced to this program have won scholarships for their higher education.

Youth Shooting Leagues at Rabbit Creek Shooting Park – OHFA subsidizes tuitions by covering the costs of ammo and targets, and providing firearms for use by the kids who participate in the program. Participants have competed at the national, international, and Olympic levels, winning awards and scholarships
